We
are searching
for answers
to the "Why's?" of generations

We
are discovering
new means and methods
in education,
government and communication

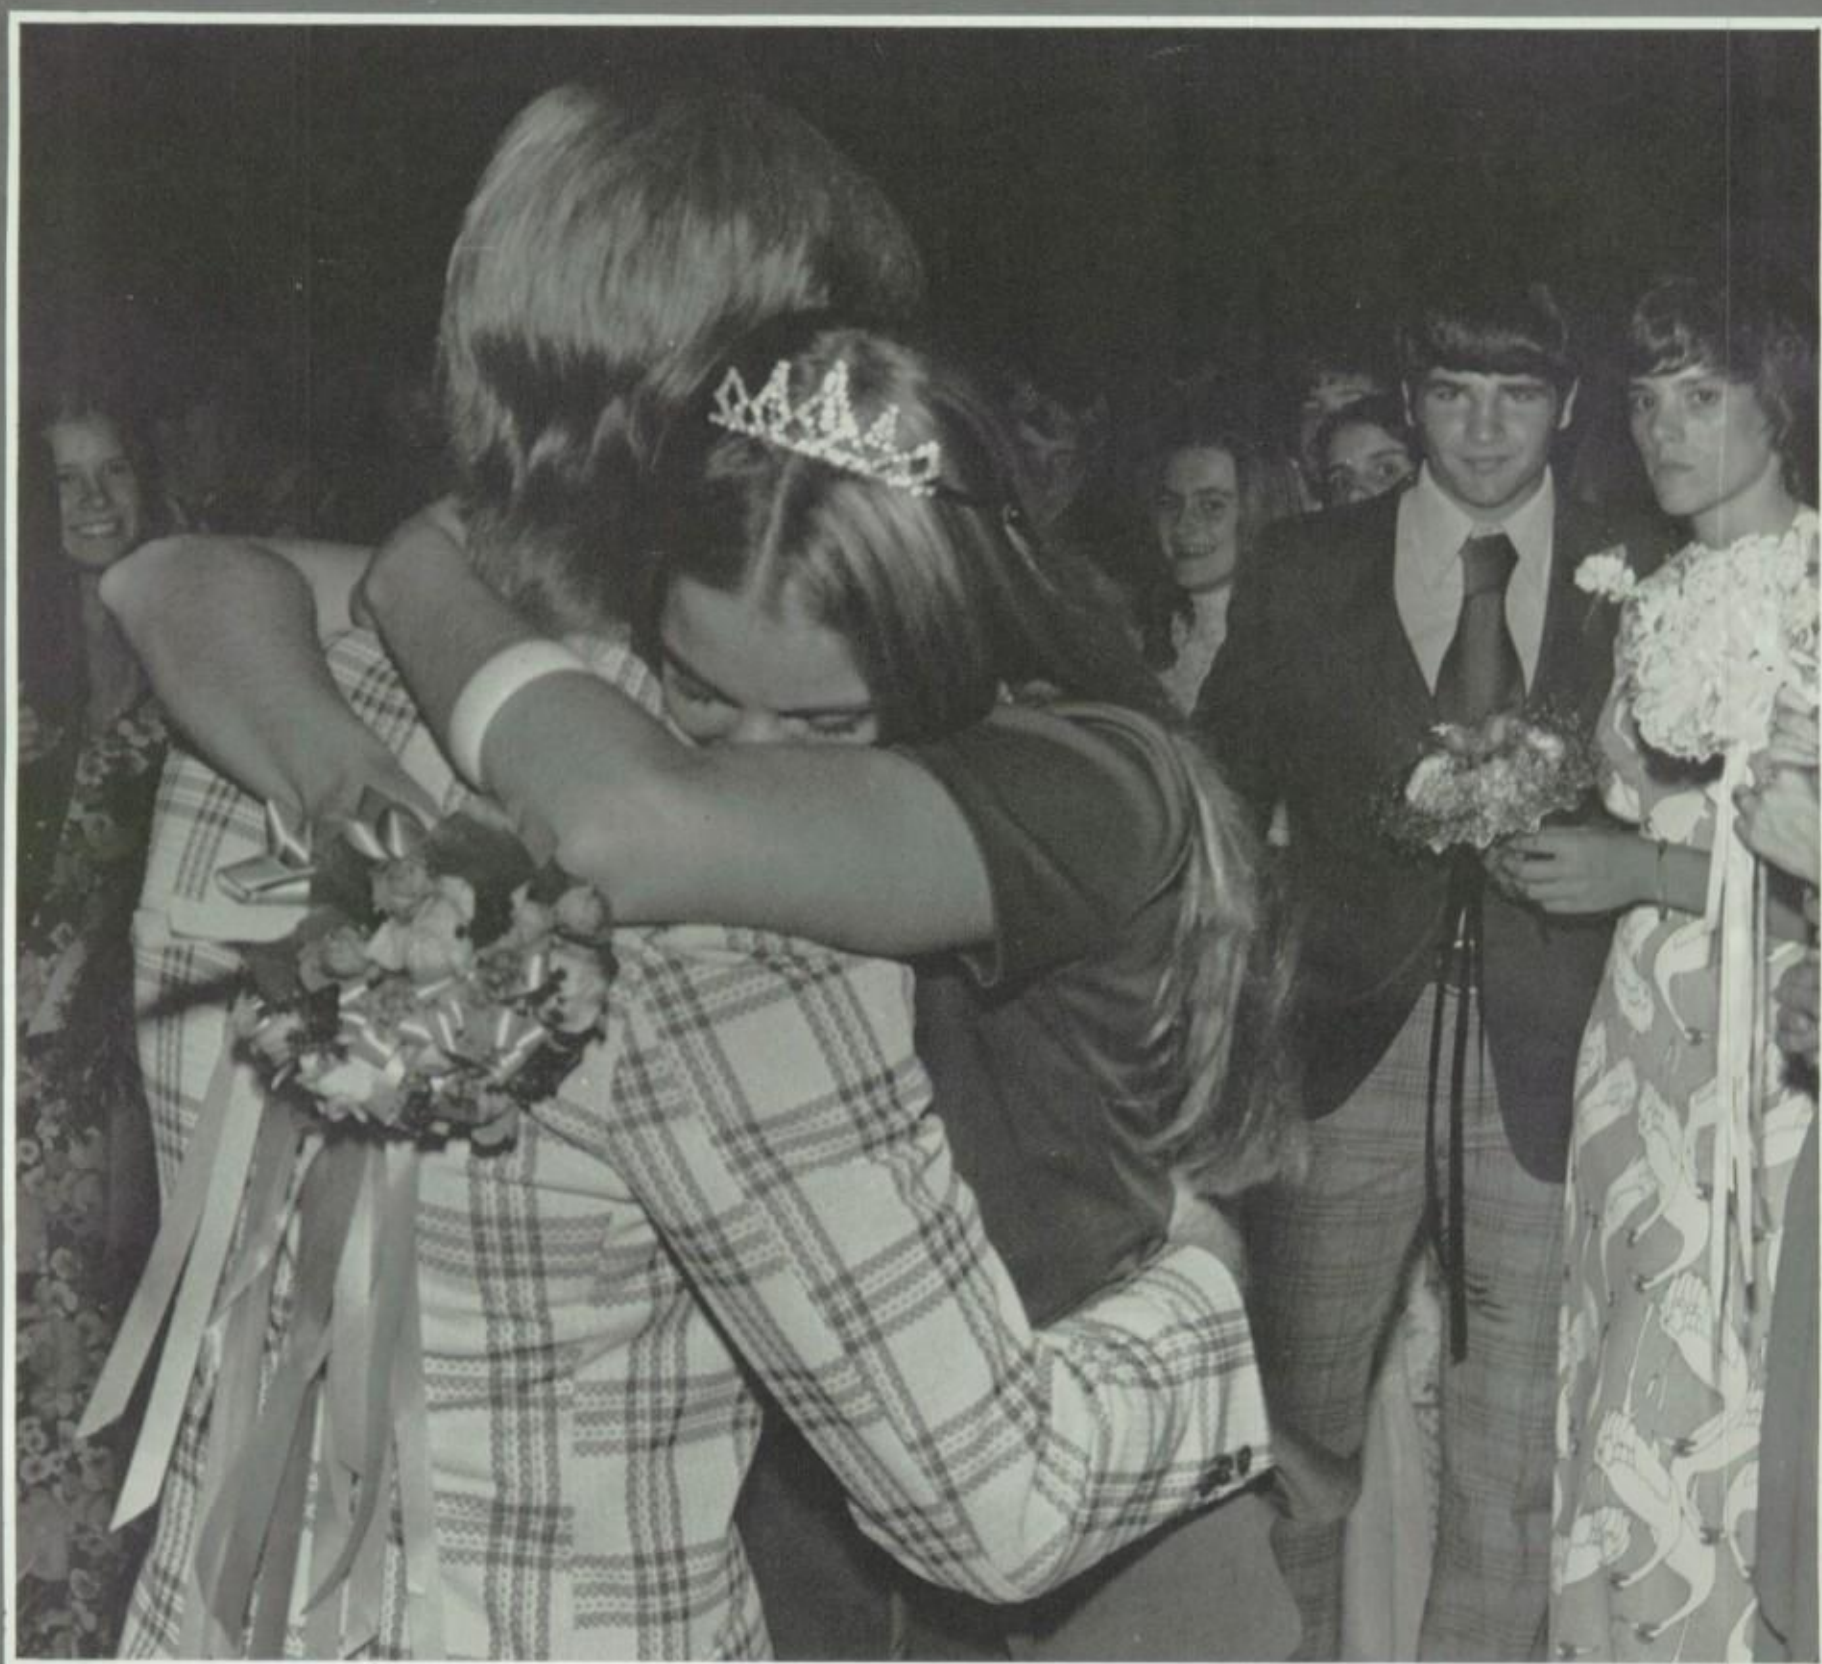

We
are growing, learning,
innovating, creating,
experiencing, changing

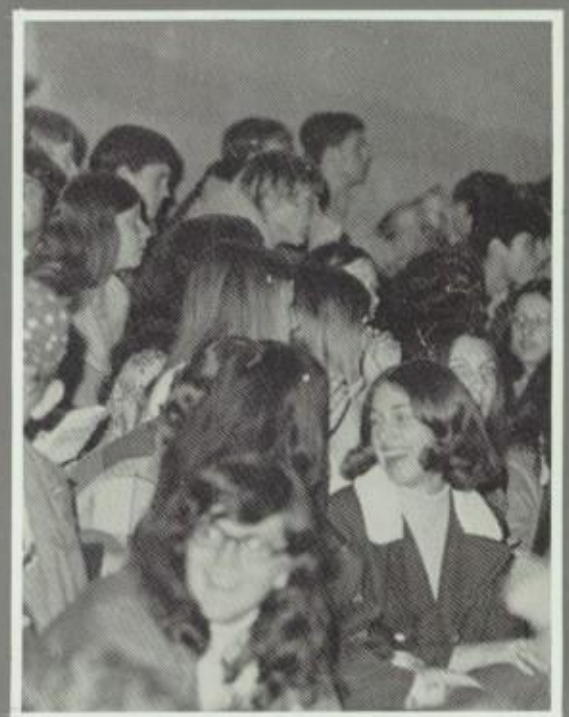

We
are a generation of love,
laughter, tears,
faith, fun

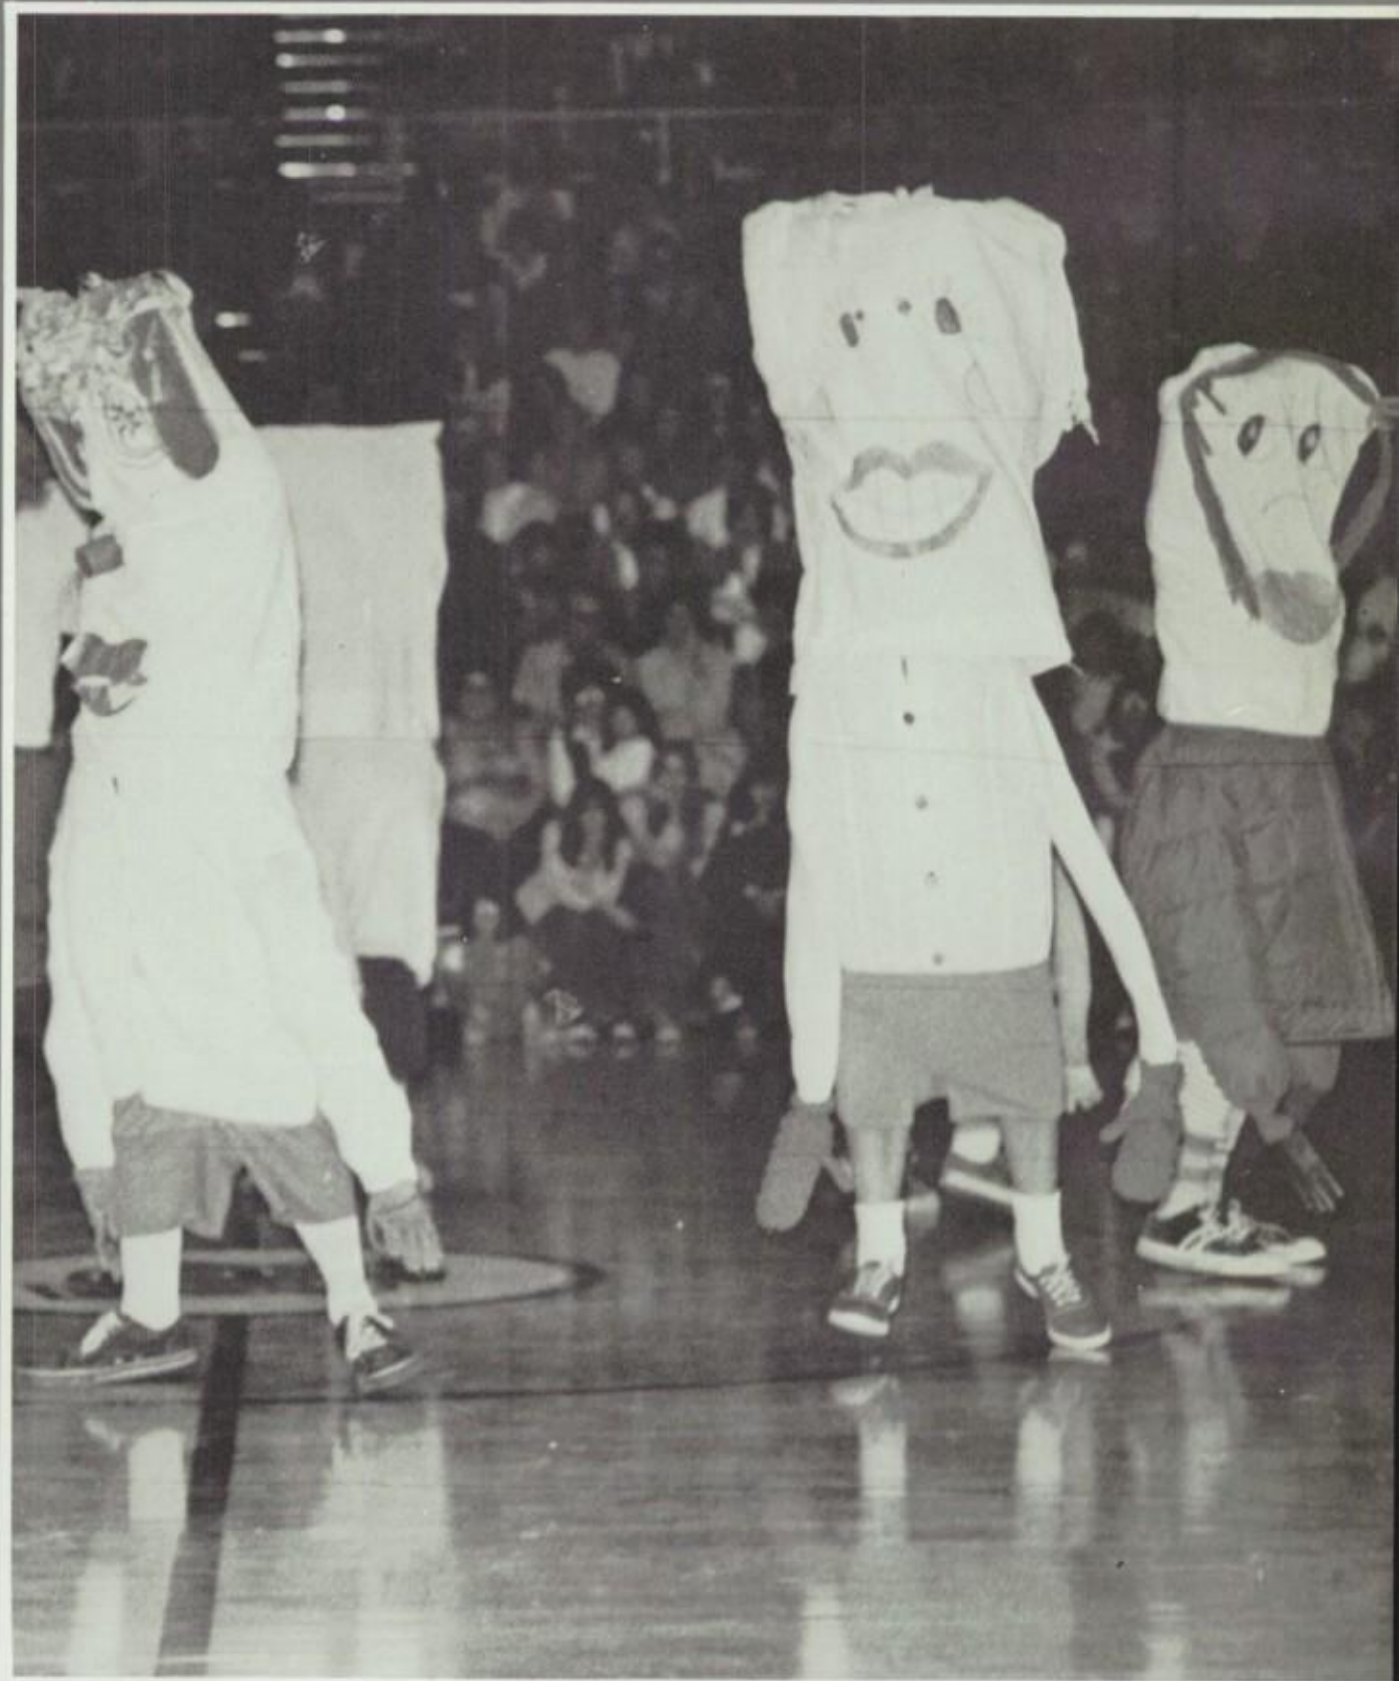

We
push forward together
to prepare for the time
when the future
becomes the past

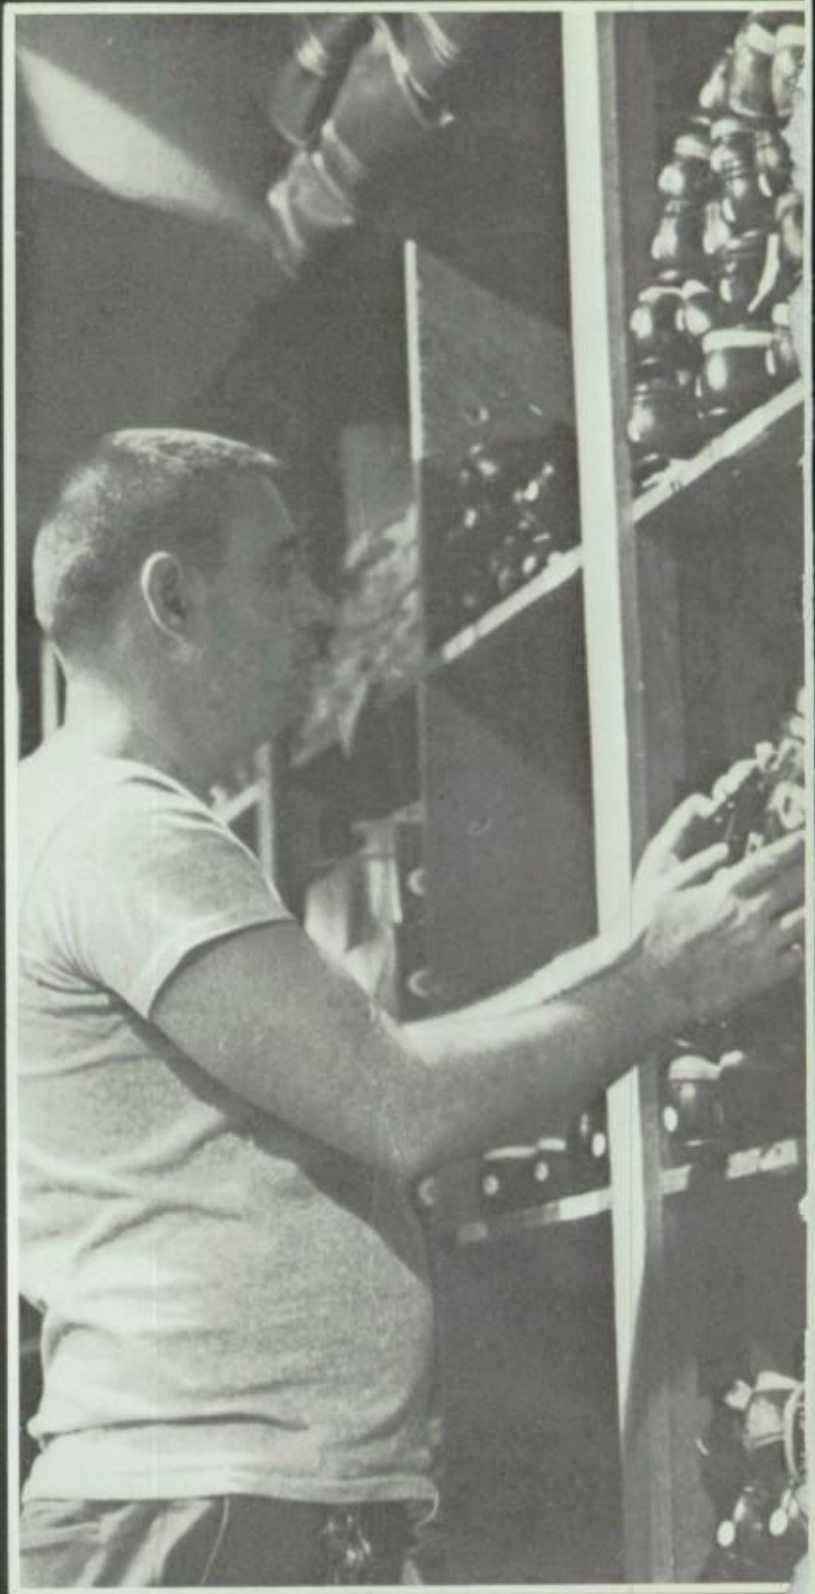

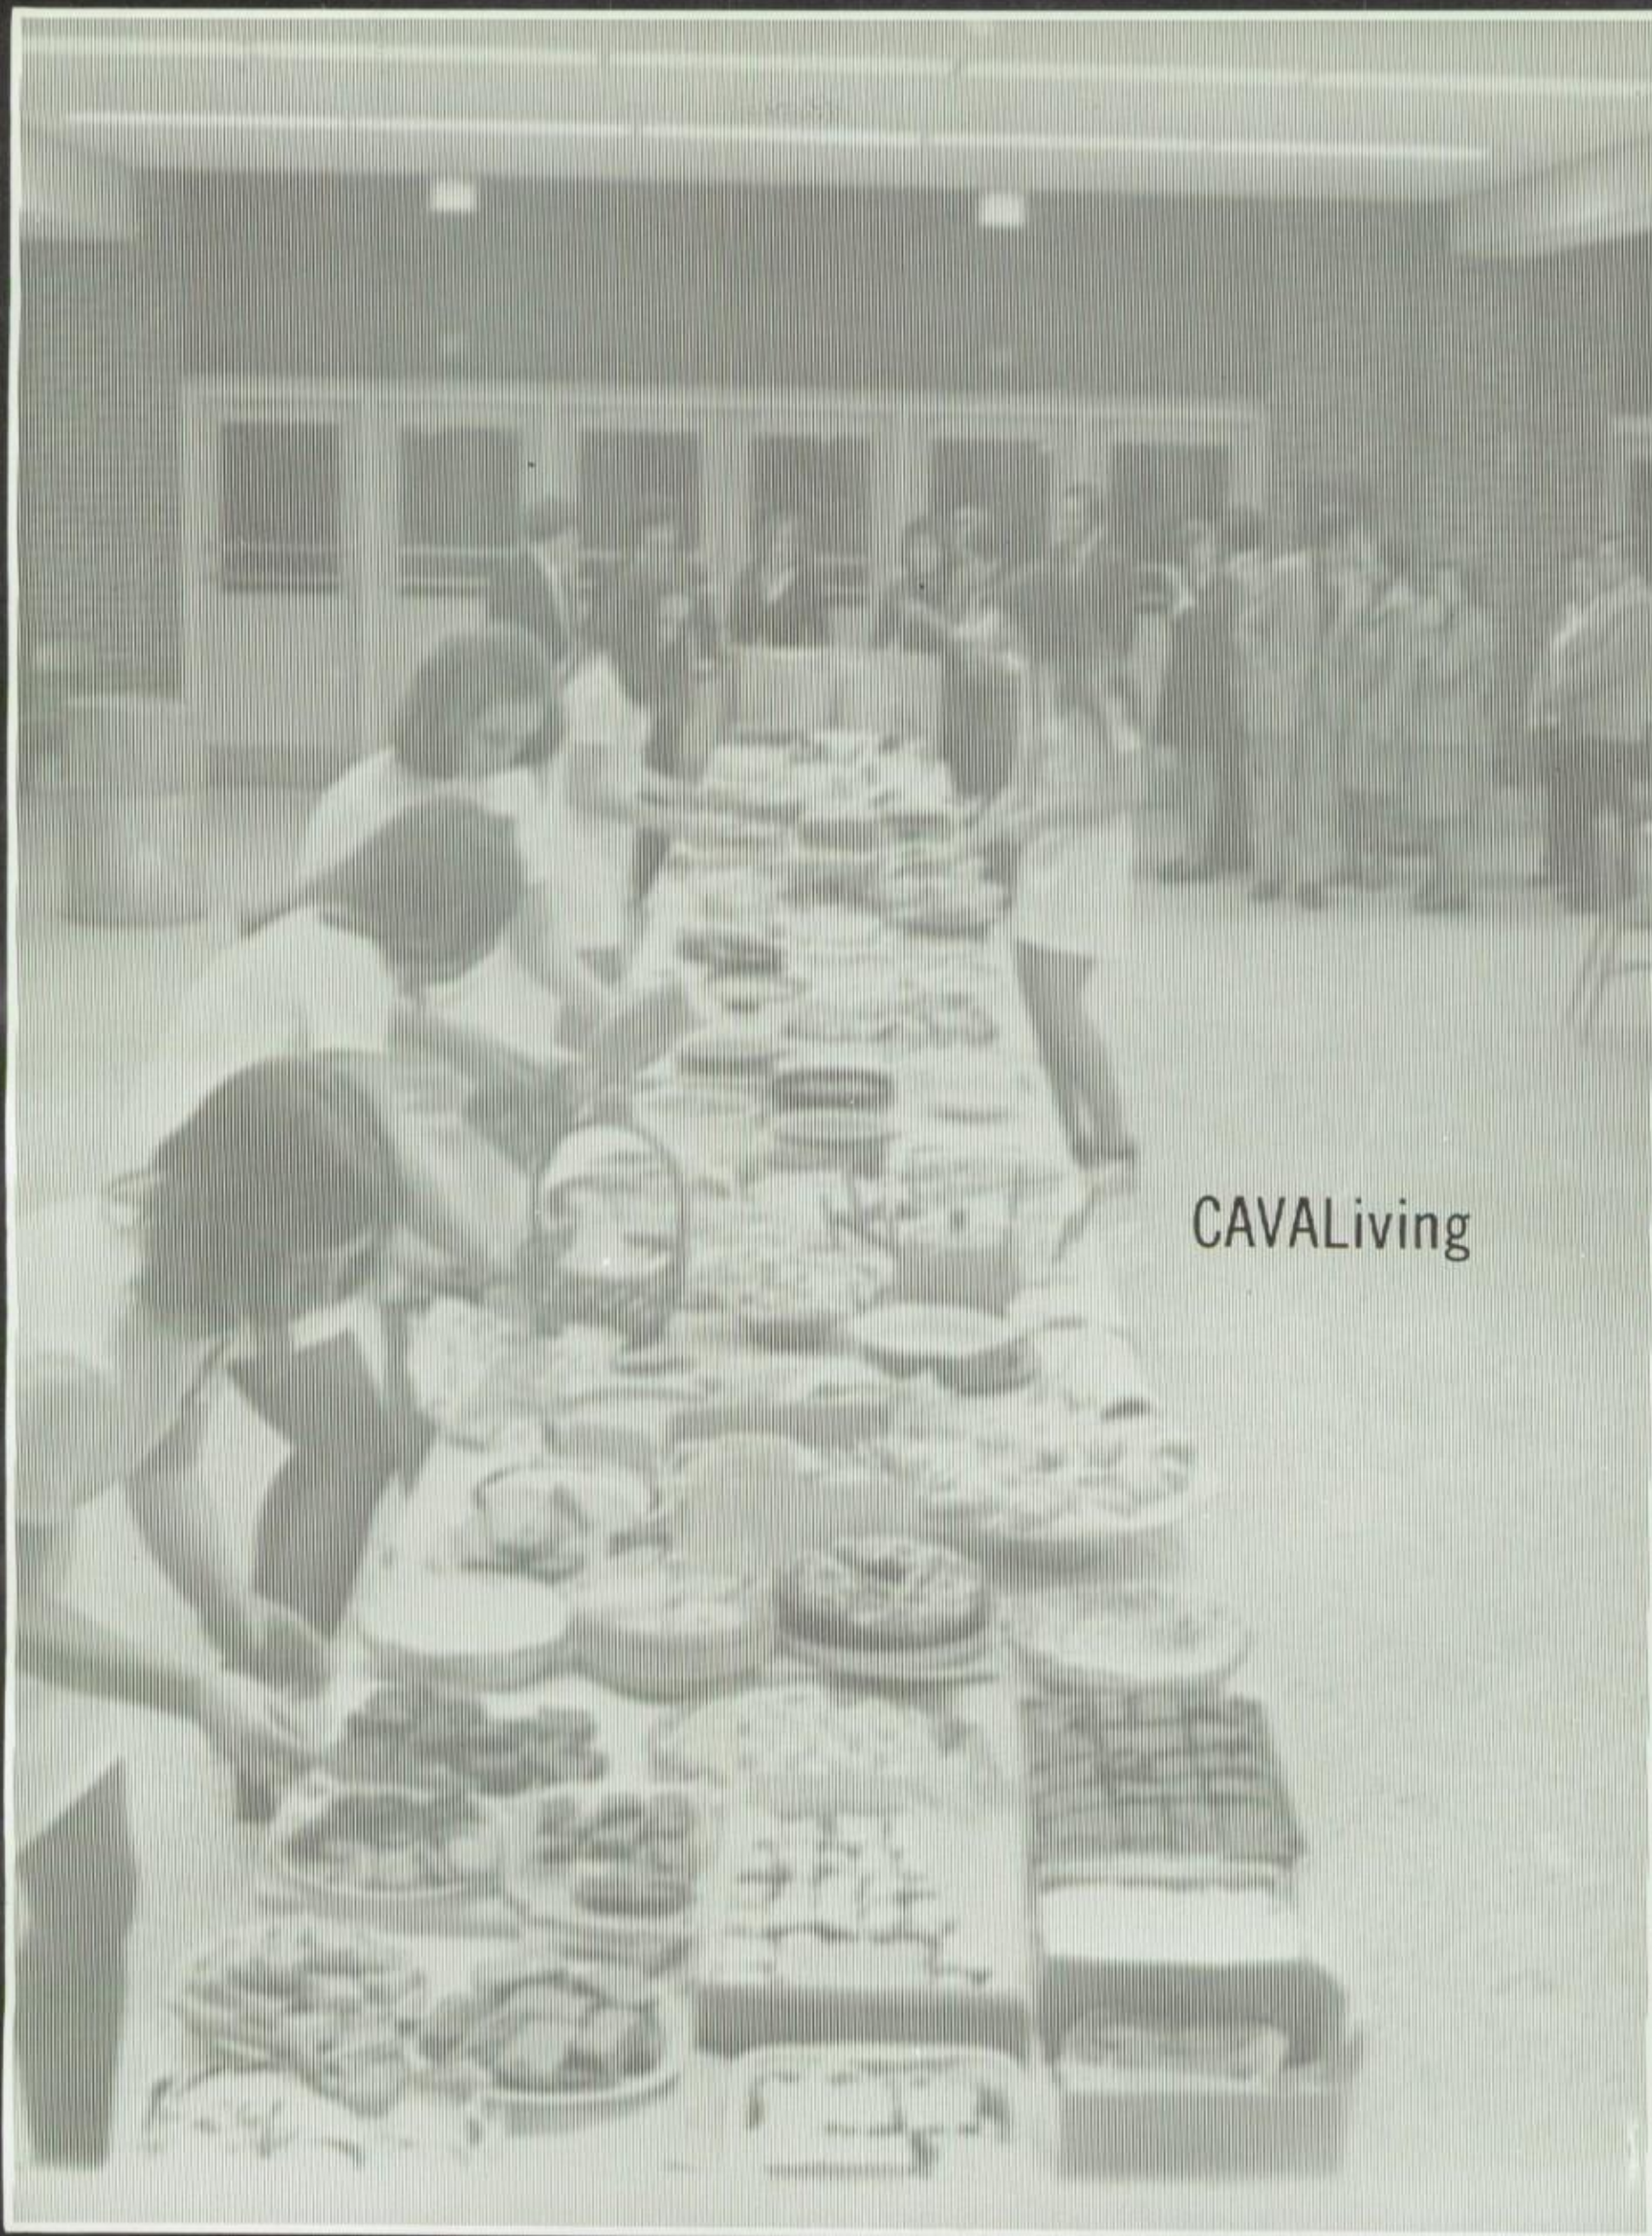

We
pause to remember
good times at L-P
before moving on
to enjoy, enjoy, ENJOY

In February, sponsors and four students began giving chess lessons to area residents, auspices of the La Salle Park commission. This is the first year all chess club activity

was sanctioned by the IHSA, which organized district and state-level chess tournaments."

Mrs. Carlson:
Counselor, Confidant,
Good Friend

Mrs. May Carlson has worked closely with many class officers over the years — planning for open houses, parties, elections, parent/student nights, dances and a score of social events under the general heading of “student activities”.

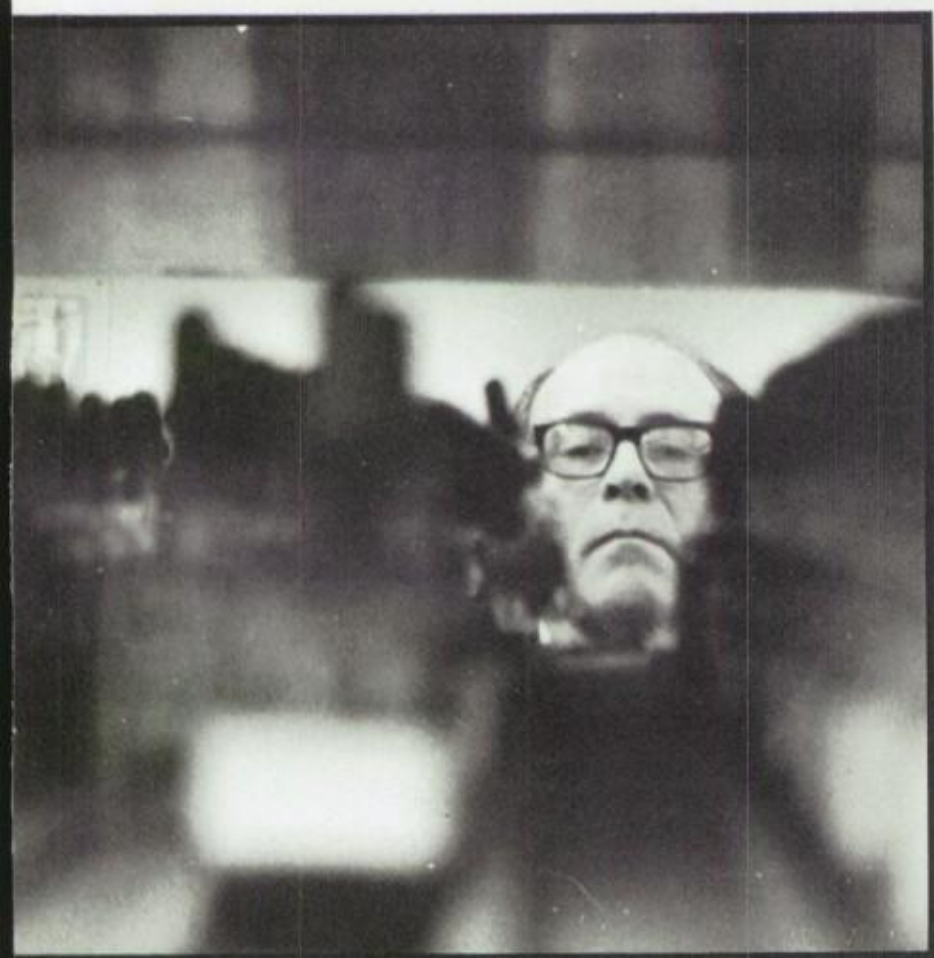

She has become an integral part of Senior Prom arrangements too — helping seniors establish a theme, assisting with band bookings, preparing programs, organizing decorations committees, keeping senior prom expenses within budget, and even working with the clean-up brigade after the prom.

Again in 1975, Mrs. Carlson, with Mr. Pelikan, has been invaluable with suggestions and assistance for our “Reflections” prom.

On behalf of the Class of '75 — and all those classes which have preceded us, “We wish to thank you, Mrs. Carlson, for your genuine interest in us and for your ever-ready and warm help — which has transformed your “student activities” assignment into a “labor of love” for us all.

Wendy, the Cavalier

"Based on the belief that 'organized backing of L-P team encourages a winning spirit', the perpetual-motion projects of the Pep Club are designed to organize and promote school spirit in all sports. Specifically, this year the Pep Club 1) built float for Homecoming and set-up the 'student tunnel' to greet varsity football players at half-time; 2) planned 'spirit days' throughout the year; 3) sold booster items — Cavalier jerseys — to create visual impact in the bleachers and stands; 4) sponsored two after-game dances and held bake sales to raise funds for Pep Club activities; 5) painted all-sports signs for school corridors, and players' yards to highlight important sports events; 6) sponsored buses to away-games for students; 7) any of a thousand details involved with promoting school spirit. Yes, it WAS a big-Pep Club year."

"Activities of this club are many and varied. There was real 'togetherness' in the building of the 'Roman Forum' float for the Homecoming parade. The International banquet was a big event, with members whipping up some delectable cuisine. The main function of the Latin Club is to promote interest in this classical language, and this year leadership was outstanding."

"Traditional Student Council projects 'worked': 40 Thanksgiving and Christmas baskets were distributed. Homecoming queen reigned over entire super-week this year; bigger variety show. Spirited homeroom competition; winners awarded dinners. New and up-dated projects: Informal 'Sweetheart Dance' proved a winner. More open communication among student council/administration/school board. More community action: Easter Seals, Alsac. Inter-high student exchanges produced ideas to pursue next year. All this: Thanks to self-starting officers and 24 members."

Death, Be Not Proud

Death, be not proud though some have called thee
Mighty and dreadful, for thou art not so.
For those, whom thou think'st thou dost overthrow.
Die not, poor Death, nor yet canst thou kill me
From rest and sleep, which but thy pictures be,
Much pleasure, then from thee much more must flow,
And soonest our best men with thee do go.
Rest of their bones and soul's delivery.
Thou art slave to Fate, Chance, kings and desperate men,
And dost with poison, war and sickness dwell,
And poppy or charms can make us sleep as well,
And better than thy stroke; why swell'st thou then?
One short sleep past, we wake eternally,
And death shall be no more; Death, thou shalt die.

Cavaliers eliminate Streator

L-P and Ottawa. They'll play for all the regional tournament marbles at 7:30 Friday night.

Coach Steve Goers and his rangy Cavaliers, working without all-conference performer Randy Parker, cracked Streator 94-81 Wednesday to gain a shot at the regional crown and a trip to the Moline sectional.

Friday's confrontation will be third meeting of the two cross-country foes, each owning a win. Ottawa took a 76-69 decision on Dec. 6 in Kingman gym and L-P earned a 61-54 triumph less than one month ago on its home court.

battle Ottawa for the title Friday night. Senica came off the bench to score 13 points in a fine reserve role. (Photo by Joe Marini, Sr.)

The Last Swimming Team

"It's quiet these days in the pool. Interscholastic swim competition has been suspended reluctantly by the Board of Education because of student disinterest. This year's team, however, — small as it was — had more successes than swim teams previously. Each member worked harder and had the satisfaction of winning oftener. They are a credit to the sport."

"Since Mrs. Leydon has joined us for an almost full-schedule this year, we have been able to do so many more things "vocally". And, the voice class lessons are a real asset to the choral program. Almost half the Advanced Choir has taken these semi-private lessons — and what a difference in the quality of the choir! The 1957 blockbuster, "Music Man", was our Spring musical. Still as popular as ever! Our cast loved doing this Iowa 'corn'."

"A new survey course — Introduction to the Social Sciences — was offered to freshmen and sophomore students this year. It covers the four disciplines — historiography, psychology, political science, economics — in separate nine-week segments, to encourage students to continue advanced courses in the field."

Allen Swanson, Chairman
Social Science Department

"A new freshman text has provided a broader and less traditional approach to language study. Our junior-senior elective program has had a smooth fourth year of operation. Changes and additions for next year: a new Journalism Workshop for serious students of practical journalism, and the transforming of Black Literature into Minorities Literature."

Helen Prendergast, Chairman
English Department

"CREATION (Concern Regarding the Environment and Technology In Our Nation) is a course centered on local environmental issues where problem-solving and independent study will be emphasized. This year we have been writing the course and making slide and videotape presentations about local environment. Next year, two sections of CREATION will be offered on a trial basis. All students, freshmen through seniors, will be eligible to apply."

Director, CREATION

"This year's new offering from the Department of Business is the Area Vocational Center course, 'Simulated Office' — a program providing unique and practical experience for seniors exploring vocations in a business office. Students have an opportunity to work with the latest business equipment and machines in an all-new facility at IVCC."

"Since being able to communicate in a foreign language with speakers of that language is one of our important goals, we were glad to note that this year the department was able to conduct two advanced-level classes in each of the modern foreign languages. It takes many years of study to become fluent in a language. L-P students can elect to study a foreign language for four years. One-semester courses in Conversational French and Spanish are enabling students to know two languages by graduation time."

Dolores Decaroli
Chairman, Foreign Language Department

"Major goal of our mathematics department is to provide courses suitable to the needs of students and to furnish the best possible instruction in these areas. We offer a range of significant courses and encourage students to continue their study of mathematics as long as this study is in line with their abilities and goals. I have never heard a student say in retrospect that he regretted taking a certain math course, but I have been informed many times by former students that they regretted not having taken more math."

juniors

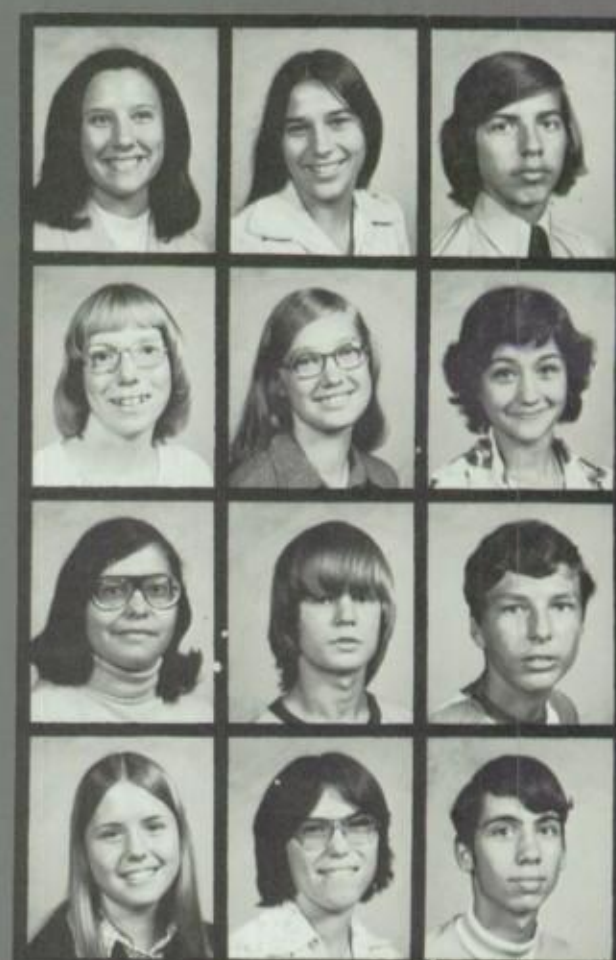

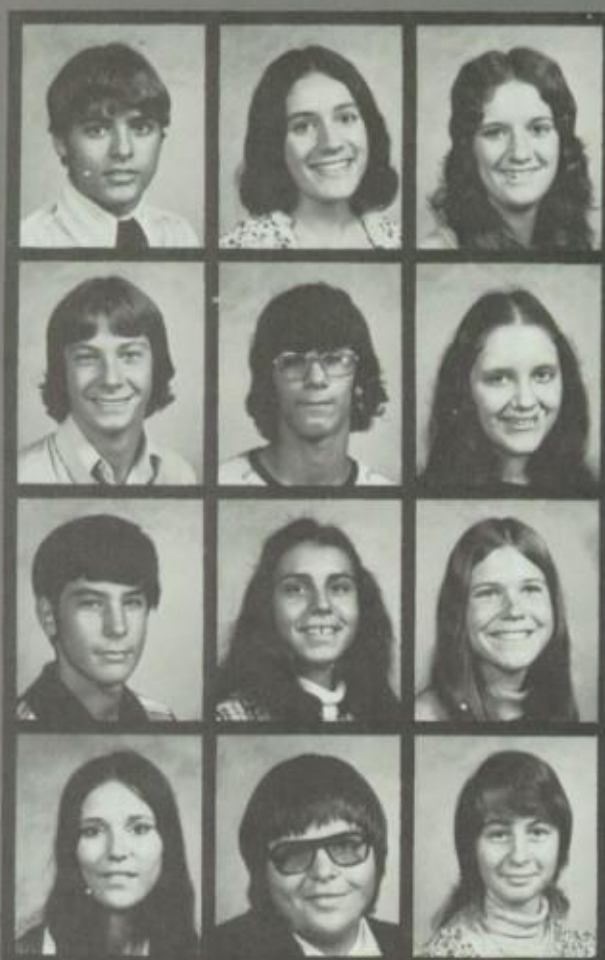

Cavalier gridders wound-up with a tidy 7-2 season, losing only to Chicago-suburban Willowbrook and to NCIC winner, Sterling. These spirited juniors — Otis Dungan, Jeff Senica, John Cullinan — saw plenty of action throughout the '74 schedule.

Because Mass Media is really a combination history/current events/how-to communications course, students in Mr. Atkinson's class try their hands at the tools of the craft. Dennis Lipka investigates the still camera.

What Dennis does with the camera gets an instant-response — one of total attention — from Karen Bickham in the same classroom.

ADJOINING PAGE, FAR LEFT: Freshman Wanda Davis adds pep and zing to her recipe, proving to senior John Patterson that Beginning Foods can be as easy as pie. MIDDLE: Freshman Linda Kleczewski takes Bus. Ed courses in stride — with all the cool efficiency of an experienced secretary. LEFT: The illustration by Beth Prickett supported a dramatic revelation by Kim Kulpa of L-P's own Legend of Stadium Hollow. The eerie tale involved headless bandsmen, a Spirit Band and its annual Halloween appearance in the stadium. Wait 'til next October 31!

Ever watch other people watch a movie? Try it with Dan Hancock here as he becomes engrossed with a film in the L-P Reading Lab. Then try it again in a movie theater.

Nick Visione at-rest in Publications Room 324, getting turned-on by a news story he's about to turn-in to Caval-Currents. Nearly a dozen freshmen were regular staff members or contributors to the weekly school newspaper.

The L-P Class of 1978 came on strong — 517 students strong in August — but they lived up to their potential. The freshman class fielded an undefeated Aztec football team, posted a new class-total of more than \$3,000 in magazine subscriptions, and exhibited a new spirit and friendly "personality" all its own.

FRESHMAN CLASS OFFICERS: Front, Lisa Gedraitis, sgt-at-arms; Kim Kulpa, program chairman; Heidi Sieber, social chairman; Brian Jefferson, sgt-at-arms. Top, Gary Nienaber, president; Ron Groleau, vice president; Sally Bailey, secretary, and Lori Popurella, treasurer.

Great change has taken place this school year on U.S. and L-P scenes, and on a personal level, too. We have a new president and vice president. We have a new varsity basketball coach. Our tastes in pop-culture — music, film and TV — may have undergone change. (Catch the "Kojak" influence?)

We are most proud of some yearbook changes, too: the new Instant Auto-graph pages 238-239.

We hope this 1975 ELL ESS PE has pulled all the important events and activities of the school year together.

Thanks to the yearbook staff members (Pages 54-55) for their unending efforts (and frequent trips to the water fountain). Whatever successes we've achieved is a combination of their dedication, community cooperation and your support of ELL ESS PE.
